To reach the hotel

It is quite easy to reach our hotel in consideration that it is placed in the very centre of the city, easy to reach on foot making a little promenade, or via public or private waterbus you'll easily find at your arrival terminal.

Wherever the terminal you'll arrive in Venice, the railway station, Piazzale Roma car terminal or the parking at Tronchetto, we suggest you to catch public boat (ACTV) n° 1 and get off at the Ca' d'Oro stop (the trip is 20/30 minutes and it goes through a wonderful part of Canal Grande!).

When reached the main road (Strada Nuova), turn to the right and keep on until the first bridge (it's 1 minute on foot). Cross the bridge and turn on the right over the portico you'll find and in a 50 meters you'll reach Locanda Leon Bianco.
